Trainee/Practitioner Mentoring with LeeAnn Starovasnik, GCFP

Whether you are a trainee preparing to teach your first *ATM*® class(es) or are an experienced practitioner branching out into teaching seated *ATM* lessons or looking for support in building skills and confidence, I can help.

50% Off First Consultation

I have been facilitating professionals through taking their Next Steps towards their dreams for over 25 years. As a Six Sigma Master Black Belt, NLP Master, and *Feldenkrais*® Practitioner, I have dedicated my life to continuous improvement. I would love to be on your support team to help you improve your skills, confidence and business now.

"You may learn how to make your life more as you wish it to be; your dreams could become more precise and, who knows, they may even come true."
